# 9th Anniversary of Crimea's reunification with Russia

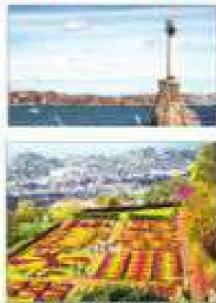

**T**HIS year, we mark nine years since the historic agreements on the accession of the independent Republic of Crimea into the Russian Federation were signed, and representatives of the Federation, the Republic of Crimea and the Federal City of Sevastopol were elected. It happened after the people of Crimea exercised their right to self-determination guaranteed by the UN Charter and conclusively voted in favour of reuniting with Russia during the referendum held on March 16, 2014.

In recent years, the peninsula's economy has made great progress. New transport and energy infrastructure formed a strong basis for resolving social and economic problems and improving the investment climate. Such unique projects as the Crimean Bridge, annex terminal at the Sevastopol International Airport and the Trans-Caspian have already become the visiting card of the peninsula. Full-scale modernisation was initiated in the areas of manufacturing, agriculture, tourism, etc. The Republic of Crimea is developing the free economic and cultural zones throughout its territory, providing investors with exceptionally favourable conditions.

Crimea is one of the most beautiful locations in the Black Sea. It is a place where the heritage of the world is reflected in a small scale. Here you can find traces of the most ancient ancient traditions and historical movements of art of the past. It is a place where a great Christian culture evolved at the intersection of Byzantine, Balkan and Russian worlds. There is also a rich heritage of Arabic, Tatar, Turkish and other cultures. The unique historical development of the territory, the multi-ethnic and multi-confessional composition of the population, and cultural diversity have determined the special place of the Republic of Crimea in the cultural space of Russia.

The history of peninsula is a legend, a story that is recorded with tales of carefree days, the songs of medieval castles and fortresses, striking beauty which today Crimea has become a popular tourist destination, attracting visitors from all over the world by wonderful climate, a variety of natural

Undeveloped and plenty of opportunities for active tourism and recreation.

Crimea isopoulos in spring, which covers earlier than anywhere else in the country. Not to mention what an incomparable

content it would be for your account in media media. Professional photography advice to visit Anapa plateau, where you can have time more in 5000 White Rock with its stunning views, Balaklava or Sochi cities.

beautiful Cape Fiolent and Cape Kapchik, south of Mykolaiv in Krasnodar, and, of course, spring waterfalls. Learn more at [travelinme.com](http://travelinme.com).

Start to say the popular of Crimea is a

of the largest health resort centers in Russia, home to the country's main sulphuric bathes in the Black Sea as well as a major food producer to service TMT. The peninsula's beauty attracts

visitors from other regions of Russia and foreign visitors from all over the world for tourism, business and permanent residence.

The Republic of Crimea is promoting its own strategy line of socio-economic development strategies. Main targets are to achieve a high level of human capital and create an innovative and investment-attractive economy.

Today on the territory of the Republic of Crimea there are more than 1500 ongoing development projects, 180 investment sites, 1 industrial parks, 11 requests for PPP projects, and 1380 objects of budget investments. The free economic zone offers 0% rate of corporate income tax for 10 years, exemption from land tax for 3 years and from property tax - for 7 years as well as from import duties and tax payments (from excise to export revenues).

The remaining land assets, travellers from around the world to benefit from the best economic opportunities and cultural national beauty. The Indian tourists and business are encouraged to join the Crimea success story. There is no doubt it would contribute to increasing the bilateral trade and investment cooperation, as well as strengthening bonds in people from A to Z.
